- Streamed content

Scheduling events using .ics files.

Advanced feature overview

- Content Pull mode
- RS232 control
- Videowall template

As the course has a lot of practical elements the finish time can vary from 3.00 to 4.30 p.m.

Depending on delegate numbers and time, it may be possible to go through specific project requirements at the end. If you make the trainer aware of any specific requirements in advance they may be able to incorporate this into the course.

Costs & booking terms

- £300 exc. VAT per delegate (£352.50 inc VAT)
- The course includes;
 - 1 full day training
 - PAT testing of delegate owned equipment
 - A voucher that entitles you to either; buy another evaluation kit or £50 off the first HMP100 and HMD evaluation kit bundle*
 - Course booklet
 - Lunch & refreshments
- Each delegate must bring their own laptop computer for use on the course.
- Each course has a limited number of delegates to ensure enough attention and assistance can be given to each.
- All training courses need to be paid for at the time of booking – they cannot be booked against a credit account. Payment can be made by bank transfer, cheque, or credit card (all details on the booking form)
- Registration will not be accepted until full payment is received.
- For a full refund delegates must cancel at least 7 days before the course is due to be held. Later cancellations will not receive any refund, but will receive a voucher.
- For courses cancelled by Tukans you will be entitled to a place on another course or a full refund.

** One voucher can be used per evaluation kit. Companies are entitled to buy 1 evaluation kit without a training voucher.*
