The course has a lot of practical elements and the finish time can vary from 3.00 to 4.30 p.m.

Depending on delegate numbers and time, it may be possible to go through specific project requirements at the end. If you make the trainer aware of any specific requirements in advance they may be able to incorporate this into the course.

### Costs & booking terms

- There is NO charge for the course.
- The course includes:-
  - 3/4 day training
  - 10% discount off HMP100 Starter Pack (If purchased within 7 days of completion of the course)
  - Course booklet
  - USB stick with course media and software
  - Lunch & refreshments
- Each delegate must bring their own laptop computer for use on the course.
- Each course has a limited number of delegates to ensure enough attention and assistance can be given to each.
